Experience | Project Manager Consultant (10/19 - 02/20)
West Coast Fixtures, Benicia, CA
Improved the workflow and streamline the proposal, design through the construction processes in our mill manufacturing plants. Managed custom and standard franchise projects for furniture, fixtures, signage and walls. Set internal standards from budgeting, designing, purchasing, building through shipping. Projects included: Trader Joe's, Philz Coffee and Messenger Corporation

Production Manager (11/17 - 4/19)
ArtCenter College of Design, Pasadena, CA
Set-up, maintained, trained and helped run the Graduate Environmental Design Fab Lab for small-scale workshop and digital fabrication projects. Trained faculty, staff and students work with hand and power tools. Helped students with models, furniture, fixtures, exhibitions, prototypes and shipments.

Senior Landscape Designer (09/15 - 04/17)
JETT Landscape Architecture + Design, Orinda, CA
Managed, designed and produced landscape architecture projects with sustainable design. Brand strategy design and management to produced the new JETT identity.

Landscape Designer (10/12 - 11/13)
GLS Landscape Architecture, San Francisco, CA
Managed, designed and documented projects through selecting planting palettes, refining concept designs, and managing the construction administration process.

Associate (06/05 - 06/11)
Carducci & Associates, San Francisco, CA
Developed master plans, technical documents and specifications. Coordinated the efforts of community and board members, consultants across multiple fields and disciplines.

Junior Landscape Designer (03/04 - 05/05)
The Office of James Burnett, Solana Beach, CA
Assisted in creating master plans, site models, construction documents and business development for national and international projects.

Consultant | Spatial Consultant (10/18 - current)

Lina Spatial Design, SF Bay Area

Managed custom and standard franchise projects for furniture, fixtures, signage, and walls. Set internal standards and systems from budgeting, designing, purchasing, building through shipping. Worked on landscape and interior designs for residential spaces.

Design Consultant (05/12 - 12/17)

Lina Duong Design, SF Bay Area

Improved the workflow and streamline the proposal, design through the construction processes. Worked with a non-profit organization to create educational signage for recreation center, public parks, day care centers, elementary schools, urban gardens, housing projects and nature trails. These projects and goals were case studies used to educate and engage local communities and brought to cities located in India and Italy to learn about environmental stewardship. Clients included: A Living Library, JETT Landscape Architecture + Design and Studio Five Design

Software Skills | Adobe Creative Suite (Acrobat, Illustrator, InDesign and Photoshop), AutoCAD, Microsoft Office, Grasshopper, ProjectWise, Proliance, Revit, Rhino, and Unreal Engine

Languages | Fluent in English and Vietnamese
